

## Birthdays in Senior Infants

**A** How many children have a birthday in these months?

February       April       June

- B**
- 4 children have birthdays in J\_\_\_\_\_ and \_\_\_\_\_.
  - There are no birthdays in \_\_\_\_\_.
  - The month with the **most** birthdays is \_\_\_\_\_.
  - There are  more birthdays in March than April.
  - There are  fewer birthdays in February than January.

**Try This!** Twin girls have joined the class. They will be 7 in January. Add this to the graph.
